## **The German-American TV-Family Swap**

You are an American family with a German family background? Or you simply have an affinity for German culture and customs?

You run a restaurant, a diner or a bar in the US that makes traveling as a family impossible?

Now is your chance to experience the German way of life – in Germany!

We are KELVINFILM, a Germany-based film production working for the German Public Television. This summer (2011) we will shoot a family documentary. For this project we are looking for families who would like to participate in our family swap:

You will have a German family helping you out at your restaurant for two weeks. Then you and your family will come to Germany and experience the German way of life in their restaurant. Find out what Schnitzel, Bratwurst and Deutschland are really about!
